

PRESBYTERIAN **ESPANOLA HOSPITAL** **SUBSTANCE USE DISORDER** **EDUCATION SERIES**

Get free CME credits that fulfill DEA MATE Act Education!

**August 26, 2025 to
September 25, 2025**

Participants will gain improved practical knowledge of the recognition of substance use, overdose, withdrawal, and improved methods for managing long-term medication initiation to achieve reduction in substance cravings and use. Participants will also develop improved communication ability to obtain a more complete history from patients and gain their trust in treatment initiation and continuation.

This Training is for:

- **PEH Physicians, providers, prescribers**
- **PEH Staff interested in learning about SUD**
